The ceremony will take place at the home of the bride's grandmother, Mrs. R. M. McDowell. Only immediate relatives of the two families will be present.

—The graduating class of Medina high school this year will play Israel Zangwill's "The Melting Pot." This is a melodrama with a nobly patriotic theme. The response which it arouses in the heart of every American is instantaneous. The parts are all efficiently filled and there is no doubt that it will be excellently produced. Rehearsals are being held regularly and the class is evincing deep interest in an effort to make this production a noteworthy one.

—Upon complaint of Carl Rickert, a neighbor, Lewis Kennecht of Windfall was arrested Wednesday by Deputy Sheriff Floyd Pelton and lodged in the county jail charged with drunkenness. Other neighbors telephoned to Humane Officer Charlton of Wadsworth that Kennecht had been abusive to his wife, who is at present confined to her bed from child-birth, and Charlton came to Medina Thursday morning. Kennecht will not be arraigned for a hearing until his case has been investigated further, when it is possible a more serious charge will be lodged against him.

—C. A. VanDeusen and F. M. Plank took over the real estate and insurance business of L. J. Donaldson on Monday of this week. On Wednesday they also secured the agency for the Royal

Insurance Co. from Arthur Van Epp. Mr. Van Deusen has been actively engaged in the insurance business for 11 years. With a partnership with Mr. Plank the two gentlemen doubtless will enjoy a prosperous business. Mr. Donaldson, who conducted the business for several years, will retire from active business and contemplates going to Florida for a while.

—Mrs. Maude Hoffman of Akron, state worker for the Woman's Christian Temperance Union, spent a couple of days last week in Medina, working in the interest of the W. C. T. U. of this place. She secured 33 new members for the local organization in the short time she was here. The 33 new members together with the 22 members already enrolled this year shows a total membership of 55, Medina now being one of the largest unions in the county. This is also the largest membership ever attained in the Medina W. C. T. U. since its organization.

—The district Court of Appeals was in session at the court house Thursday morning to hear the case Schlachbach vs. Paul, which involves the division of a parcel of land in Medina village and is an echo of the well-known case wherein Ross Schlachbach sought legally to establish the priority of death of his wife and child who were killed when a railroad train collided with an auto in which they were riding. The case had been decided in Common Pleas court and appealed. But a mistake was made by giving bond in error, where it should have been given in appeal. Hence, the appeal court, finding no error, had no alternative but to dismiss the case. And as the time allotted by law in which to file bond for appeal has now more than elapsed, the case is at an end.
